Mr. Gibson:

Thank you for the February 17th response to EPA's Information Request.

Your responsive letter indicated that privileged documents were not being produced with the response. Can you please confirm that your client is NOT asserting a Confidential Business Information (CBI) claim for the documents in the following four zip files:

2014 12 30 Final

2015 03 17 KH
Follow-up 8(e) 20
SGPP TSCA Sub.

These documents were originally submitted to EPA under TSCA as CBI.

Additionally, can you please point us to the enclosure to the March 17, 2015 letter that is in document "2015 03 17 KH."
I presume it is located in one of the other attachments to your response.

Thank you.

Amy Chester
